FAMILY FRIENDLY NEARBY

Weatherford is a great place for families to explore. You can enjoy the scenery and trails around Holland Lake Park or bike the Quannah Hill Bike Trail. Just a short drive away is Lake Mineral Wells State Park with great opportunities for hiking, swimming, and rock climbing. Local museums feature hands-on exhibits about cowboys, Native Americans, and pioneer life. In summer, Weatherford hosts the Frontier Days Rodeo and the Parker County Peach Festival, along with live music and food festivals throughout the season. Heading into Fort Worth? Don't miss the Fort Worth Zoo, Sundance Square, or the historic Stockyards!

PET FRIENDLY NEARBY

Please enjoy our on-site dog park during your stay! If you're exploring the area with your four-legged friend, they'll love stretching their legs at Patsy Hooks Dog Park, relaxing beside you on the patio at one of Weatherford's several pet-friendly restaurants, or hopping on the trail at Heritage Park or Soldier Spring Park. Just remember to bring water and a leash!

SMOKING & ALCOHOL RESTRICTIONS

Smoking is allowed only at your individual campsite and is not permitted elsewhere on the resort ground. Please be respectful and drink responsibly. See back side of map for more information.
